

Communicate with
your doctor's office
on the internet with ...

American Health Network has an
exciting program called NextMD.

With NextMD you can securely connect with your
doctor's office over the internet and do the following ...

- ▶ **Online bill pay**
- ▶ **Request appointments**
- ▶ **Send secure messages**
- ▶ **View statements**
- ▶ **Receive lab results online**
- ▶ **View medications lists**
- ▶ **Request medication refills**

No more waiting on the phone.

If you are interested ... ask a physician or staff member to set you up.
All that is required for registration is your email address.
